Specifications 2023

PLEASE NOTE THIS DOCUMENT IS SUBJECT TO THE FOLLOWING ADDITIONAL SPECIFIC TERMS & CONDITIONS:

- The acceptance of the quotation to which this annexure forms part shall constitute a valid and binding agreement which shall be subject to the special Terms and Conditions as envisaged hereunder apart from the prevailing standard Terms and Conditions of trade pertaining to the Company.
- The Client's order for any product from SA Truck Bodies (the Company) shall constitute acceptance of this offer.
- The Client is presumed to have accepted any aforementioned quotation without any reservation to the following terms:
 - All quoted prices are nett of VAT.
 - Adherence to the Company's said standard Terms and Conditions of Sale and Repair, which include the Warranty claim procedures.
 - The Warranty period will commence from the earlier of invoice or delivery date.
 - All items not specifically mentioned in this document, shall be subject to the conditions stated in the Company's standard terms and conditions of sale and repair.
 - Written acceptance of the product at delivery confirming all in order at time of receipt.
 - The Company is not responsible for quality claims on components which are not supplied by the Company or any of its Division; nor in respect of damages caused by components not supplied by the Company.
 - The Company shall only be liable in its discretion, to either repair or replace such components and/or workmanship which may prove to be defective and whilst resorting with the Warranty period.
 - Normal use is associated with 90% on Highway use.
 - The Deck (Structural) Warranty is only applicable to uniform loads and any partial loads shall be evaluated on merit.
 - The Company is not liable in respect of normal wear and tear items, painting or for wear and tear on trailers.
 - The Company not responsible for load damage on curtain rails or from improper use of the sliding pillars or any other equipment.
 - Painting product failure is specific to delamination, blistering, rusting, cracking, flaking and loss of adhesion to the painted substrate for the period of the cover.
 - Maintenance schedule of the product must be up to date and valid and proper care and use of such product and equipment.
 - Any costs and/or items excluded from this document defaults to the customer's account, e.g. if labour is not covered.
 - All ancillary and consequential costs apart from parts and labour, shall be deemed to be excluded (e.g. Loss of Income, damages, travel, accommodation etc.)
 - The Company reserves its right to have reasonable access to the product with no obligation other than to do the necessary work in alignment with this document.
 - Complaints need to be lodge within the prescribed time frame applicable to same.
 - The Company's Warranty is not transferrable.
 - High pressure cleaning of internal load compartment on frequent basis excluded from normal conditions of use.
 - Customer to take reasonable care to maintain vehicle and equipment and to take precautions to limit damage or potential damage in the event of failure
 - If the Company is not notified at the time of the incident via the existing support system and costs are incurred, The Company reserves the right to consider such claims on its own merit and may decide to decline claims for costs on the basis of exclusion from the opportunity to limit damage and reduce costs.
 - The Company reserves the right to obtain reasonable access to the relevant product in order to perform functions and rectification appropriate and relevant to honouring the terms in the Company's standard conditions of sale and repair.
 - The Company is under no obligation to offer a replacement product/products or vehicles during any Warranty or repair event and if The Company chooses to do so, it reserves the right to do this at its own discretion.
 - Tyres will be subject to escalation on substantiated price increases.
 - In the event of an order our standard conditions of sale will apply. **Full version available on request**
 - A 20% Deposit will be charged for Non-Standard trailers ordered.
 - Payment terms are strictly cash on collections or within 7 days of formal notification of completion, whichever is sooner. Interest of prime plus 2% will be levied on outstanding amounts thereafter.
 - In the case of trailers being financed, a written undertaking from the financial institution confirming that finance has been approved is required to confirm the order and a formal release is required from the institution prior to units being released.
 - In the case of payment being cash, a formal notification of the full purchase price including VAT from a financial institution stating that the funds are available must be furnished and a 20% Deposit is payable before order can be processed.
 - A cancellation fee of 20% of the full purchase price will be levied should the order be cancelled within 30 days prior to delivery.
 - Inspection and acceptance must be effected by your duly appointed representative prior to delivery.
 - All orders will be officially accepted in writing stating approximate delivery date. No orders will be considered binding on the company should this not be the case required to be.
 - 'Trade-Ins' and applicable conditions shall be submitted in writing and must be declared officially with order simultaneously with placement of order.
 - **Full version available on request thereto**
